FOODS OF THE WORLD.

This fine book tells us what people eat and why! The authors are a married couple who have spent many years investigating the food of nationalities as diverse as the Sudanese and French, Scottish and Italian.

It has long been accepted that a climate will produce certain crops but how many realise that a fuel source for cooking is also important!

Why do the Irish cook stews for hours while Chinese people cook food quickly in a wok? The answers to these questions and others can be found in this extremely readable book that would grace any lounge coffee table.

Contains 40 maps.

Contains over 60 colour photographs.

Contains a comprehensive glossary.

NB This book has been highly acclaimed by many national newspapers both in Britain and in France. The authors are regular contributors to many National Sunday newspapers.
